DESCRIPTION :

We recommend a minimum of 2 to 3 lessons per week in general to progress at a good place.

In addition to greater flexibility, you also have the possibility to schedule intensive lessons over a short period, for example before an exam or a meeting !

Thanks to this package, you have a unique opportunity to progress orally, improve your vocabulary and review grammar points in an informal way.

Your French teacher will contact you and teach you the course wherever you are.

You have the freedom to choose & schedule your lessons at a place that suits you.

Thanks to these lessons, you benefit from the advantages of private lessons while staying at home !
